

TYGA MARKETING LIMITED

ENVIRONMENTAL POLICY

TYGA Marketing Limited seeks excellence in every aspect of our business and is committed to minimising our impact on the environment through our business operations.

To achieve this commitment, we will:

- Strive to continuously improve our environmental performance.
- Reduce our consumption of resources and improve efficiency in the use of these resources.
- Manage waste generated from our business operations accordingly through reduction, re-use and recycling.
- Comply with all relevant environmental legislation and requirements.

To secure these objectives, we will:

- Communicate internally our environmental policy and performance and encourage feedback.
- Educate employees to the benefits of saving energy and recycling.
- Work together with our service partners and suppliers to encourage commitment towards improved environmental performance.
- Encourage appropriate consideration of environmental issues in the professional services we provide to our clients.
- Promote environmentally friendly marketing options where possible through digital media.
- Ensure unused equipment is turned off when it is not being used.
- Where possible, use environmentally friendly resources.
- Review our environmental policy regularly.

The Environmental Policy is accessible to all staff via the internal server and to other interested parties via our website (www.tygamarketing.com) and on request.
